and contents for terms of one to five years.

The progress of this Corporation has been stable and uninterrupted through seasons of financial sun-shine and storm or periods of eventful war or exempt from sweeping conflagrations and maritime disaster. Being long established, our established basis, the troubles of the past are now but a memory.

During "hard times" the security of reliable insurance is an imperative duty—the ability of property holders to sustain loss being then much lessened.

Policies issued without delay, and all business attended to with dispatch and fidelity by
